**Hanwha Techwin America to Offer Informative, Educational
A&E Forum June 4-6**

*Event Provides Security Professionals with Insight and Tools for Deploying Company's
Leading Video Surveillance Solutions*

Teaneck, NJ (May 31, 2017) – Following a successful event held in Orlando, FL, in May, Hanwha Techwin America will host an A&E Forum June 4-6 at the Marriott Newport Beach in Newport Beach, CA.

“Recognizing the critical role A&Es play in security, we created these forums to provide these professionals with a deep understanding of our industry-leading advanced solutions and discuss some of the industry’s leading technologies and trends,” said Tom Cook, Senior Vice President of Sales, Hanwha Techwin America. “The opportunity to experience the capabilities and functionality of our suite of industry core products alongside solutions from our technology partners will be valuable as they design effective video systems.”

Among the latest technologies Hanwha Techwin will present at the event are the company’s new Wisenet X Series, Wisenet 5 DSP/chipset, 4K camera line, 5MP cameras, Wisenet Q Series, multi-sensor cameras, Cloud Services and much

more. A&Es will also have access to educational seminars on advanced deploying H.265 compression in conjunction with Wisestream II, Hanwha's intelligent codec, to significantly reduce bandwidth and storage requirements and costs. Hanwha will also highlight its cybersecurity advantages and recommend best practices, as well as a review of the company's cyber hardening guide.
