Hanwha Shines with Stainless Steel at ISC West

Durable, high frame-rate, WDR, and built-in video analytics represent unprecedented value

Teaneck, NJ, March 21, 2018 - At ISC West 2018, in booth #14079, [Hanwha Techwin America](#), a global supplier of IP and analog video surveillance solutions, will announce four new Wisenet stainless steel cameras. Three vandal-resistant dome cameras and a PTZ dome camera will be on display. Part of the Wisenet X series, all of the new stainless models utilize the powerful Wisenet 5 chipset featuring high frame-rates, day & night (ICR), advanced WDR (150dB), H.265/H.264/MJPEG multiple streaming codecs, and a full suite of powerful video analytics.

"There has been high demand for stainless versions of these popular camera models," said Paul Kong, Technical Director, Hanwha Techwin America. "Our cameras are built for harsh environments such as marine locations or areas where aggressive chemical cleaners are used. We are excited to bring our powerful and unique X series features to cameras built for demanding environments such as food, medical, and sterile clean rooms where corrosion and rust cannot be tolerated."

All of the new stainless models support a full suite of video analytics including loitering, directional detection, fog detection, tampering, motion detection handover, and objects entering or exiting an area. Audio analytics are included for sound classification and notification. Nylon bubbles are also employed in front of the lens to further resist deterioration.

XNV-6080RS 2M Vandal-Resistant network IR stainless steel dome camera:

- 2 Megapixel (1920 x 1080) max resolution
- 2.8 ~ 12mm (4.3x) motorized varifocal lens
- 60fps at all resolutions (H.265/H.264)

XNV-8080RS 5M Vandal-Resistant network IR stainless steel dome camera:

- 5 Megapixel (2560 x 1920) max resolution
- 3.9 ~ 9.4mm (2.4x) motorized varifocal lens
- 30fps at all resolutions (H.265/H.264)

XNV-6120RS 2M Vandal-Resistant network IR stainless steel dome camera:

- 2 Megapixel (1920 x 1080) max resolution
- 5.2 ~ 62.4mm (12x) optical zoom lens
- 60fps at all resolutions (H.265/H.264)

XNP-6320HS 2M 32x Vandal-Resistant network PTZ Camera:

- 2 Megapixel (1920 x 1080) max resolution
- 4.44 ~ 142mm 32x optical zoom lens
- 60fps at all resolutions (H.265/H.264)
