Jordan Rivchun Joins Hanwha Techwin America to Drive Retail Solutions and Strategy

Teaneck, NJ, November 28, 2018 - [Hanwha Techwin America](#), a global supplier of IP and analog video surveillance solutions, today announced that Jordan Rivchun has joined the company to drive its most important retail projects and to lead solutions and strategy in the retail vertical and other related customer segments.

In his business development role, Rivchun will be instrumental in increasing retail end users' awareness of Hanwha's leading security products.

"Jordan is a dynamic leader and is well respected within the loss prevention industry. His extensive experience as a loss prevention executive and practitioner fully supports Hanwha's mission to engage and listen to our end users to envision the solutions our customers trust us to build," said Ray Cooke, Vice President of Business Development, Hanwha Techwin America. "He will be influential in making an even stronger connection between our end users and product development team. We are thrilled to have him on board."

Rivchun brings more than 15 years of security and loss prevention experience. Most recently, Rivchun was director of loss prevention with DSW (Designer Shoe Warehouse), where he was responsible for all facets of the Loss Prevention program including: physical security, internal investigations, loss prevention systems and data analytics, as well as the field organization. Rivchun was also an active member of RILA's Asset Protection Leaders Council (APLC). Prior to his 8-year career at DSW, he worked for Security Risk Management Consultants, Target, and Nordstrom in both security and loss prevention capacities.
